

Holbrook Road PTA Frequently Asked Questions

I'm so busy, why should I attend PTA meetings? Our meetings last less than 1 hour. During this time, our Principal will usually be in attendance as well as some staff members. Attending our meetings will keep you in the know about our school as well as what is happening in our district. **CHILDREN ARE ALWAYS WELCOME!!**

Why should I become a paid member? A small portion of your membership dues goes to the NYS PTA. They represent our unit at the state level and provide a wealth of information to our unit. *The majority of your dues go straight to the students at HBR.* Your dues will help to cover our Arts in Education programs (those fun assemblies that take place during the day in classrooms and school wide at assemblies) and provide reduced or free fees for our events. **PLEASE BECOME A MEMBER!**

If I become a member, am I obligated to volunteer? The answer is no, but we hope you will consider volunteering at our events. Becoming a paid member just means that you support our volunteers in helping to create a school where your children not only learn but create memories. Your kids take pride in seeing you volunteer at their school. You get to meet other parents and get to know your children's friends.

Thank you for considering joining our PTA.
