Dear Parents/Guardians of New Lane Students,

I am writing this letter to remind you about procedures at New Lane Memorial Elementary School regarding student cell phones and student smartwatches. I understand that some parents/guardians wish for their children to bring cell phones and/or smartwatches to school, and I certainly respect that decision. However, as such devices have the potential to cause a substantial disruption to the educational process, all student cell phones and smartwatches that have messaging, calling, recording and/or photographic features must be silenced and kept in student backpacks throughout the school day.

If you have any questions regarding these procedures, please feel free to contact me at [psaltz@mccsd.net](mailto:psaltz@mccsd.net). Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in black ink that reads "Phyllis L. Saltz". The signature is written in a cursive, flowing style. Below the signature, the name and title are printed in a standard font.
