

MIDDLE COUNTRY SEPTA

Become a member *TODAY!*

PURCHASING A SEPTA MEMBERSHIP IS ONE OF THE MOST IMPORTANT THINGS YOU CAN DO FOR YOUR CHILD’S EDUCATION.

SEPTA membership and dues support your child by funding educational and curriculum needs and allows us to advocate on behalf of children and educators at the local, state, and national levels.

Your paid membership is your child’s voice!

Increasing our membership base directly impacts our benefits. The only thing required of you to become a member is to pay your annual membership dues. Beyond that your level of involvement is completely up to you.

Attending meetings or volunteering your time is not a requirement; however actively engaging with SEPTA allows you to stay informed about school activities, voice your opinions, and advocate for positive changes.

All of these pieces come together to ensure that your child's educational experience is as enriching and supportive as possible. Ultimately, your participation strengthens the partnership between home and school, resulting in a significant impact on the overall success and well-being of students.

We hope you’ll join us in making this year a successful and fun one!
