**2024-2025**

**Hello Smiley Face 3<sup>rd</sup> grader,**

**My name is Mrs. Santangelo and I loooooooooooooove teaching third grade. I hope you are just as excited as I am to begin our school year and make great memories. My summer is filled with running everywhere with family and I can't wait to hear about all of the cool things that YOU did over the summer. Start practicing your multiplication facts and get ready to learn all about USA and more!**

**Your first assignment is to help mom/dad shop for school supplies and put them into your backpack so we can sort them on our first day. Don't forget to keep some supplies at home so you can do your homework using the correct tools. Remember your water, snack, and - ONLY SMILES ALLOWED. Enjoy the rest of the summer; I will see you September 4th and I will meet your parents for Open School night-Sept. 16<sup>th</sup>. Love,**

**Mrs. Santangelo** 😊
