Dear Parents/Guardians,

Earlier this week, we received a report that there is a TikTok user who may be targeting young girls in our district with graphic messages and/or content. While the identity of the user is unknown, the person who reported it to me has contacted law enforcement about this incident.

As parents and guardians, you are strongly encouraged to monitor your children's social media and internet use. If you feel that any illegal activity has transpired, you are encouraged to contact the police department.

Sincerely,

Andrew Bennett

Principal, Selden Middle School
