Dear Principal Baldwin, Staff, and Students of Jericho Elementary School,

On behalf of the Board of the Nassau Suffolk Autism Society of America (NSASA), we thank you for your generous donation of \$343 in honor of Autism Awareness month. We are so grateful for your support of our organization. You are making a difference in the lives of individuals with autism who live on Long Island. Thank you!

The Nassau Suffolk Chapter of the Autism Society of America is an organization that supports individuals with autism (and their families) in our local community. NSASA provides free social and recreational events to thousands of families here on Long Island. We work hard to provide the necessary supports that our families need to participate in events in the community. NSASA is a 501c3 tax exempt organization. Our EIN is 23-7438084. For more information about our organization, please visit our website: nsasa.org.

At the Autism Society of America, we create connections, empowering everyone in the Autism community with the resources needed to live fully. It is our vision to create a world where everyone in the Autism community is connected to the support they need, when they need it. We are thankful for your support of the Nassau Suffolk Autism Society of America. Together, we are making a difference!

Sincerely,

Michele Iallonardi
Interim Executive Director, NSASA
