Makes meaningful contributions to related topics			
X - Indicates Need for Improvement			

Science	T1	T2	T3
Academic Progress			
Effort			
Demonstrates understanding of content and concepts			
Uses the scientific method to investigate environments			
Acquires information through hands-on experiences			
Makes logical predictions			
Draws accurate conclusions based on observation and the collection of data			
Makes meaningful contributions to related topics			
X - Indicates Need for Improvement			
Social Studies	T1	T2	T3
Academic Progress			
Effort			
Demonstrates understanding of content and concepts			
Gathers information from maps, globes and diagrams			
Demonstrates understanding of historical figures and events in history			
Makes meaningful contributions to related topics			
X - Indicates Need for Improvement			
Special Areas	T1	T2	T3
Art - Skills			
Art - Effort			
Actively participates in classroom activities/discussions			
Music - Skills			
Music - Effort			
Actively participates in classroom activities/discussions			
Physical Education - Skills			
Physical Education - Effort			
Actively participates in classroom activities/discussions			
X - Indicates Need for Improvement			

Social Skills and Work Habits	T1	T2	T3
Demonstrates self-control			
Observes class/school rules			
Interacts appropriately with adults			
Interacts appropriately with peers			
Completes classwork on time			
Actively participates in classroom activities/discussions
