

Dear Parents/Families,

Welcome to kindergarten! I hope you've had a wonderful summer. My name is Jennifer Signor and I will be your child's kindergarten teacher. We are the sea turtle class. Kindergarten is a year filled with many opportunities for growth and new experiences. My goal is for all my students to develop to their fullest potential, encouraging and supporting them socially, academically and emotionally.

I believe in creating a strong relationship between home and school for your child. I will be communicating through telephone calls, notes/letters home and the usage of the Remind app. I will also utilize the Remind App to post important announcements, upcoming events, as well as pictures!

In order for me to get to know your child more quickly, I would love to have some information about your child (your child's interests, favorite books and activities, behaviors at home, likes/dislikes, favorite foods, any areas of weakness that you would like to see worked on, special talents, ALLERGIES and any other fears or concerns your child may have about kindergarten.) You are your child's first teacher and I value and look forward to your input! Please feel free to add any other comments or note any questions or concerns you may have. You can email me at jsignor@mccsd.net or send in the information on the first day of school.

Please also join the Remind App! I use this often to communicate. Our code is **h2de9ab**

Other Important Information

Absent notes MUST accompany your child upon his/her return to school with the dates and the reason for absence clearly stated.

Parents are required to bring a photo ID to show at the front desk before stopping at the office for any requests or early dismissals. If possible, please send in a note that day if you'll be picking your child up early so we can alert the office.

Morning AND Afternoon snack time will be reserved each day. Please send in TWO nutritious snacks and drinks and bring them both in a labeled Ziploc baggy separate from their lunch. Please no candy and limit junk food. You can bring a labeled water bottle as well.

Please make sure that your child knows in advance if they are buying lunch and what they are buying.

I am very excited to be working with you and your child, and I am looking forward to a fun and productive school year for all! Thank you in advance for your support and cooperation. I look forward to meeting you at Back to School Night!

Please feel free to contact me with any questions or concerns that you may have. I can be contacted via email at jsignor@mccsd.net or by phone at Unity Drive 631-285-8760.
